

CLAIRE ROCK

Retired in 2002 from position of Associate Publisher, Electronic Engineering Times (largest worldwide publication serving the design and development community of electronic products). Was employed by Electronic Engineering Times for 18 years in Texas. Prior to that, managed advertising programs for both Texas Instruments and 3M Corporation.

Served on the Board of Dallas Charity Horse Shows from 2002-2006 (President in 2005 and 2006) raising money for Texas Scottish Rite Hospital For Children as well as area therapeutic riding organizations. In the last year of operation, DCHS gifted \$88,000 to these local organizations.

Currently serving on the Board of Riding Unlimited Therapeutic Riding Center in Ponder Texas. Riding Unlimited is a non-profit organization offering horsemanship programs for the mentally and physically disabled of North Texas. Riding Unlimited also participates in the Horses for Heros program serving veterans injured in the course of duty.
