CR FOR CW HORSE SHOWS BENEFIT

GLOBAL SAFE CLEAN WATER INITIATIVE

ENDORSEMENT LETTER FROM COUNTESS VICTORIA BERNSTORFF-GYLDENSTEEN

Dear Jo Jo and Britt —

Having recently read that 1 out of 6 people on this planet do not have access to clean water (how appalling), I can only commend and endorse your efforts to make clean water available to them, particularly to those in Africa.

The Clear Rounds for Clean Water series of equestrian events is a super way to raise awareness, optimize the monetary gift and help implement The Global Safe Clean Water Initiative of Rotary International and I would be honored to serve on your Advisory Board. May success be yours, and may that benefit those most in need.

Kind regards,
Victoria
